UP OPEN UNIVERSITY LEARNING AND TESTING CENTERS

The UP Open University Learning Center (UPOULC) serves as the university's presence in your area. This is where UPOU students take their proctored examinations (if so designed by your faculty in charge) or do activities such as enrollment, submission of assignments and the like. General Orientation for new students and occasional face-to-face study sessions are also done in these centers. Learning Centers also provide a limited library service. Information about UPOU and the programs/course offerings, scholarship programs available, etc. is also disseminated in the area through the UPOU Learning Center.

The UP Open University Testing Center (UPOUTC), meanwhile, mainly operates as an examination venue. Students under a UPOU Testing Center may email the UPOU Learning Center assigned to them for academic and student-related concerns.

The UPOU Virtual Learning Center (VLC) for Offshore Students coordinates the enrollment, examination arrangements, and other concerns of UPOU students who are based outside the Philippines. There are two ways by which proctored exams at UPOU are administered: a) through an accredited Testing Center, usually the Philippine Consulate abroad, with a designated proctor/examiner; and b) through online, following a set of procedures to ensure the integrity of the exam process.

Students should indicate their preferred learning or testing center when they enroll through the Online Registration System (ORS).

Below is the list of the UPOU Learning and Testing Centers and the respective Coordinator:

				Assigned		
	Location	Classification	Address	LC	Coordinator's Contact Info	
	Laoag, Ilocos		Mariano Marcos State University, College of Teacher Education, Laoag
